KIU Academy Admissions Policy

(Excerpt from the Parent-Student Handbook)

Procedure

Those interested in applying for admission should contact the Office of Admissions to request information and the application form. Interviews and placement tests are administered (details depend on the grade level of the applicant). Results of the interview and tests, together with the content of school transcripts and application form, are considered by the school. The Office of Admissions makes a decision and the applicant is notified.

General Terms and Requirements

KIU Academy does not discriminate against students and parents on the basis of race, biological sex, citizenship, ethnic origin, religion, color, or disability. Students from all backgrounds are accepted, but as a general rule students must be fluent in either Japanese or English and must demonstrate average intellectual ability. Learning disabilities must be specified in writing by a professional and include recommendations as to how the school is to support the student. A student's admission to and continued enrollment at KIU Academy are based on full disclosure of school records and known learning disabilities. Students with physical handicaps, as well as students with poor academic/behavioral records may be admitted on a provisional basis.

Age Requirements

To enter grade 1, a student must be six years-old at the start of the academic year (April 1). Exceptions may be granted at the discretion of the principal. Admission to grade levels beyond first grade is considered based on the applicant's age, academic ability, maturity level and previous years of schooling.

Financial Aid

Financial aid may be available for families having difficulty affording tuition. Eligibility requires the release of personal financial records. Please contact the Office of Admissions for further information.

Tuition Refund

Tuition fees* may be refunded if the student's guardian submits an official Notice of Withdrawal to the school office no later than six weeks prior to the beginning of a new trimester. After that, there will be no refund for that trimester. There will be no refund for application fees, entrance fees, registration fees and facilities fees. Only tuition fees that were paid in advance are eligible for refund. Refunds will be charged a 5,000 yen domestic service fee and/or a 10,000 yen international service fee in addition to all bank transfer fees. *Tuition fees paid in one installment are recalculated as trimester installments (+5%).

Financial Delinquency

In the case of financial delinquency, school policy allows for the withholding of grades, transcripts, letters of reference and graduation diplomas. Students whose tuition is outstanding beyond 30 days may be barred from taking final exams and/or suspended. If payment is outstanding beyond 60 days, the student may be removed from the school roll.

School Calendar

The following calendar is for 2024-25. We will announce the 2025-26 calendar at a later time.
